|   |               |
| Hitz reported that Senator Durenberger will be here tomorrow for a general situation briefing and there appears to be no need for him to drop in on the DCI or DDCI. Hitz said that he was in touch with Ambassador David Mark to obtain a statement for his use at the reprogramming hearings as they relate to the issue. He also reported that | 25X1          |
| the FY 1980 Authorization Bill will probably not be marked up until after 4 July.   | 25X1          |
| Wortman advised that Agency Headquarters stocks of unleaded gasoline are being allocated sparingly because of shortages.  | 25X1<br>25X1  |

| The Director said that this week should be relatively quiet, noting he would be attending an SCC meeting on Nicaragua this morning designed to see if Dr. Brzezinski can join the President and Secretary Vance in Tokyo.  Bowie commented that under NIO leadership the IMM on the situation there was produced and distributed in record time. Bowie also called attention to what he described as an excellent statement by Secretary Brown on verification which parallels the DCI's. He asked Hetu to obtain same.  The Director said he will be refining his SALT testimony for coordination with Secretaries Vance and Brown upon their returnn from Asia. In response to Bowie's query, the Director said he will consider further coordination with Community principals 28 June.  The Director thanked those involved in reworking his Tuesday briefing before the Joint Economic Committee. | The Director reported on a telephone call from Arthur Goldberg who, operating on his own but with State's knowledge, plans to visit Vienna and look into the security of the Soviet Jewish emigre situation there. A discussion followed and the Director will call Goldberg.   | 25X1 |  |
